Godspell is one of musical theatre's brightest and most innovative shows. Originally written by Michael Tebelak in 1969 as a Master's thesis project, it immediately became the voice of a generation of people tired of a world at war and looking for solace and peace.

Drawing from various theatrical traditions such as clowning, pantomime, charades, and vaudeville, Godspell was ground breaking in the way that it transformed the stories and language of the Bible into simple, everyday situations and speech. The show opens with Jesus declaring himself as God and King in whom there is no beginning and no end. There are five parables told in story and song by Jesus and his followers. The story continues through the crucifixion and death of Christ.

### School House Rock JR—Musical

The Emmy Award-winning 1970s Saturday morning cartoon series that taught history, grammar, math, science and politics through clever, tuneful songs is not only making a small-screen comeback, instructing a whole new generation to "Unpack Your Adjectives" and "Do The Circulations," it's lighting up stages everywhere, from school multi-purpose rooms to university and regional theatres all around the country.

A \$35 non-refundable deposit will hold your place in the production. Once casting is announced full tuition *is due*. Students unable to finish the production will receive a pro-rated tuition credit applicable towards another production minus a \$35 non-refundable/non-transferable registration fee.
